

Starting **November 1** the Automated Collection Truck will begin collecting the new "Wheelie" Bins in Hensall. Using the new bins is as easy as **1-2-3!**

1 Collect.

Collect all your materials inside your home!

TIP: Gather your recyclable materials using your blue box. See the lid of your new bin for acceptable materials. Use small kitchen catcher type bags around the house to capture waste where ever it is generated.

2 Empty.

Empty the blue box contents into the Blue recycling bin.

Place your kitchen catcher bags directly in the Black waste bin.

TIP: Place all the recyclable items loose in the bin. Do not bag or tie anything to help us separate better with the exception of plastic bags and shredded paper which should be bagged before being placed in the bin. Trash may be bagged in bags if you wish.

3 Set Out.

Set out your "wheelie" bins at the road when full (or almost)

TIP: The "wheelie" bins should be placed at least **3 feet away from any other objects** with the wheels and handle pointing towards the house and the lid opening towards the road. The truck arm can reach up to 12 feet.

Collection Changes

Days: Your new collection day will be Tuesdays effective November 1st.

Containers: The new automated collection system uses a specialized vehicle to collect the new wheelie bins that have been distributed. For that reason, you cannot use your new bins until we start using the new vehicles to collect on Tuesday November 1st. New bins will be delivered in October. Note that the recycling and waste bins may not be delivered at the same time. Waste and recyclables will be collected at the same time with the same vehicle in a two compartment truck. We recommend that you still set out both containers by 7 AM to ensure collection.

Setout Location: Collection in urban areas will now be on both sides. Note that some urban areas may be serviced on one side only based on conditions (i.e. dead end street, one way street, limited access, etc).

Bag Tags: Bag tags are no longer required for waste collection after October 24th. You may return any unused garbage tags to the municipal office in Zurich at 14 Mill Ave. for a full refund until December 31, 2016.

Recyclable Materials

Accepted Paper

- Loose newspaper, flyers, catalogues, magazines, no plastic wrapping
- Telephone books, paper back books, books with no hard cover
- Cardboard, boxboard, cartons, paper egg cartons, paper towel rolls
- Paper junk mail, letters, envelopes, brochures, paper bags
