Have Items that Don't Belong in Your Bins?

Some materials can't go in your garbage or recycling bins – but that doesn't mean they have to go to waste.
Find drop-off locations and recycling programs for things like electronics, batteries, paint, and more at:
rpra.ca/where-to-recycle

Set Out Guide:

RECENT PROGRAM CHANGES

We've made a few changes to the residential recycling list! The updated list allows for more materials to be collected and recycled, helping to keep even more waste out of landfill and creating one consistent list across Ontario. Please note that commercial recycling is excluded from the provincial Extended Producer Responsibility (EPR) model for residential recycling. To keep costs as low as possible for business owners—and to ensure all collected materials can continue to be properly marketed and recycled—commercial properties will continue to follow the current list of accepted materials.
