BRA

The items on this page are the only items we wish to see in your recycling bin. We can collect, process, and sell these materials day in and day out and you can feel good

Placing the wrong items in the recycling bins increases the cost of the program, lowers the value of the remaining recyclables, and affects the safety of our employees. Just because something is made of paper, metal, plastic, or glass, does not mean it is recyclable. Make sure you see it listed in the latest acceptable list posted on our web site, or

If you are unsure, please ask us at info@bra.org or 1-800-265-9799, or visit www.bra.org

New Wheelie Bins

Starting Wednesday June 3rd the Automated Collection Truck will begin collecting the new "Wheelie" Bins in Warwick Township. Using the new bins is as easy as 1-2-3!

1 Collect.

Collect all your materials inside your home!

TIP: Gather your recyclable materials using your blue box. See the lid of your new bin for acceptable materials. Use small kitchen catcher type bags around the house to capture waste where ever it is generated.

2 Empty.

Empty the blue box contents into the Blue recycling bin. Place your kitchen catcher bags directly in the Black waste bin.

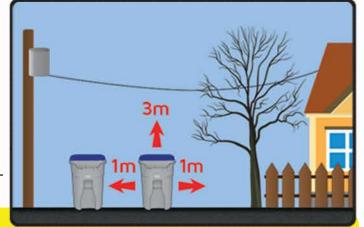

TIP: Place all the recyclable items loose in the bin. Do not bag or tie anything to help us separate better with the exception of plastic bags and shredded paper which should be bagged before being placed in the bin. Trash may be bagged in bags if you wish.

3 Set Out.

Set out your "wheelie" bins at the road when full (or almost full)

TIP: The "wheelie" bins should be placed at least **3 feet** away from any other objects with the wheels and handle pointing towards the house and the lid opening towards the road. The truck arm can reach up to 12 feet. Do not place the bins where it might interfere with pedestrian traffic on sidewalks or vehicular traffic on the road.

Collection Changes

Schedule: Warwick Township starts Wednesday, June 3rd, your collection frequency for urban Watford and Warwick area will be weekly. The rural area will be biweekly. Your collection day will be Wednesday. Holidays: Collection will occur even on holidays except Christmas&New Years where an alternate date is set. **Setout Location:** Collection will now be improved to both sides of the street, where possible. Note that some areas may be serviced on one side only based on conditions (i.e. dead end street, one way street, limited access, etc). Rural areas are collected on one side only.

If you have ANY questions about the program or your "wheelie" bins, please visit our site at www.bra.org where you will find useful information on all aspects of the automated collection program. Alternatively, contact us at **1.800.265.9799** or **info@bra.org**
