

## HOLIDAY NOTICE

The Bluewater Recycling Association and all its staff would like to wish everyone a Merry Christmas and a Happy New Year.

This year, Christmas and New Year's Day occur on a Sunday, so your regular waste and recycling collection will be uninterrupted for the holidays.

Recycle right and recycle easily in 2023!

- Instant notifications about schedule changes
- Use the personalized collection schedule
- Sort waste correctly with the "What Goes Where?" search tool

## Our Wish This Holiday Season Is For Everyone To Stop Wishcycling

**Wishcycling is the practice of tossing questionable items in the recycling bin, hoping they can be recycled.**

Just because something is made of paper, metal, plastic, or glass, does not mean it is recyclable. Make sure you see it listed in the latest acceptable list posted on our web site, or your calendar.
